Table of Contents

RUFORUM Working Document Series, Vol 17(2): 2018

Editorial:

Mensah, S. and Adipala, E.

Theme 1: Policy environment and policy analysis: Cross-cutting development perspectives

Progression of a serialized Working Document Series: From Project progress reports to scholarly outputs

Nampala, M.P., Tusiime, G. and Adipala, E.

Embracing partnership principles in regional and international research collaboration: theory and practice

Minde, I.

Households' expenditure reviews for early warning to vulnerability and effective policy interventions

Mwaura, F.M.

Key challenge to timely completion of graduate studies: A case of presentation of satisfactory financial accountability statements by university research teams

Tamale, L., Nampala, M.P., Makuma-Massa, H., Nakyobe, J., Aguti, E. and Khonga, E.B.

Opportunities and challenges of private sector female managers in the south west region of Cameroon

Chiamti, E., Ekume Etomes, S. and Molua, E.L.

Theme 2: Transformative potential of agricultural education

Re-aligning curricula and mode of delivery to impart relevant knowledge and skills to improve agricultural productivity

Hulela, Keba, Tselaesele, N. and Kgosikoma, K.

Transforming African Agricultural Universities to meaningfully contribute to Africa's growth and development (TAGDev) Programme implementation at Egerton University

Mungai, N.W. , Njuguna, V.W., Mshenga, P.M. and Mbudzya, J.J.

Approaches to retooling University faculty in innovative pedagogic approaches to develop the creative and innovative potential of young people
Waswa, M., Rukarwa, J., Owuor, C. and Egeru, A.

On Regional University integration: Same degree, different Universities
Magumba, D.

Development of a Regional Master's of Science Curriculum in Agro-ecology
Nderitu, J.H., Kasina, M. and Chemingwa, G.

Aligning University graduates and agribusiness opportunities to African agricultural transformation
Woomer, P.L. and Ohanwusi, E.

Community-engaged pedagogy: Learning experiences of RUFORUM-supported students in field attachments: The case of Gulu and Egerton Universities
Waswa, M., Rukarwa, J., Egeru, A., Hatim, M.A.E. and Owuor, C.

Harnessing public-private partnership to enhance practical-oriented graduate training in fisheries and aquaculture in Sub-Saharan Africa
Akoll, P., Adamneh, A.D., Drexler, S., Kaunda-Arara, B., Kubiriza, G.K., Odong, R., Waidbacher H., Winkler, G., Nampala, P., Nsibirano, R., Ntangaare, M.M., Liti, M.D., Yared, T.G., Kibru, Z.T., Abebe, B.C. and Masebe, C.

Developing soft skills sets for graduate employability in Africa
Akello, M.O., Chindime, S. C., Nampala, P., Adil Mohammed and Limbikani Matumba

Contribution of TAGDev Programme on Students Agri-entrepreneurial Development: A case of Egerton University
Mbudzya, J.J., Mshenga, P.M., Mungai, N.W. and Njuguna, V.W.

Theme 3: Harnessing ICT and digital potential to increase Africa's competitiveness

Impact of using mobile phones in disseminating agricultural information among medium scale farmers in Kenya
Ongachi, W. and Nyanganga, H.

Exploiting the 5G network opportunities for enhancing food security
Amitu, D.M., Otto, F. and Kato, J.

Social collaborative e-Learning Contextual Model
Otto, F., Amitu, D.M. and Agena, M.

Environment monitoring sensors for future nuclear power plants

Amitu, D.M. and Otto, F.

Information communication methods used for management of transboundary animal diseases (TADS) amongst livestock keepers: The case of selected counties in Kenya

Wanjala, T., Mugivane, I.F., Gitao, G.G., Kiplagat, N.J. and Demesi, M.J.

Perception of valuers on adopting automated valuation models: A case of Malawi

Namanja Namangale, D. and Chimalizeni, E.

Africa for Africa's knowledge economy via open access publishing: Towards development of African citation indices

Mkpado, M.

Theme 4: Research, innovation and technology capacity in postharvest processes

From the lab to land: Taking postharvest management solutions to horticultural farmers through aggregation centers

Ambuko, J., Amwoka, E., Hutchinson, M., Chemining'wa, G., Kunyanga, C., Mburu, J. and Owino, W.

Postharvest training in Kenya: Universities' role to address the knowledge and skills gap in postharvest management

Ambuko, J.

Processing qualities of potato varieties grown in Uganda: A review

Bahati-Kajunju, N.H., Atukwase, A., Tumuhimbise, G.A. and Mugisha, J.

Theme 5: Catalyzing competitive agribusiness, markets and trade

An agribusiness incubation hub at Bishop Stuart University for innovative and diversified employment opportunities of young graduates

Kalibwani, R.M., Owoesigire, A., Tusingwire, S., Atukunda, G., Mubangizi, E., Kiguli, C., Opio, F., Ssemakula, E. and Weisheit, A.

The influence of entrepreneurship capacity on innovation efficiency

Muiruri Gachanja, I.

Application of neo-classical economic models in the analysis of potential viability and public valuation of fish solar dryer in Malawi

Makwinja, R., Kapute, F., Njaya, F. and Limuwa, M.

Contribution of non-wood forest products in income and livelihood of rural communities in the dry lands of Central Darfur State, Sudan

Alnazeer Abdallah M. Ahmed, Elamin Yousif A. Raddad and Hasabelrasoul F. Mustafa

Factors influencing cowpea grains demand and utilization in Nigeria
Odogwu, B.A., Worlu, H. and Agbagwa, I.O.

Factors influencing adoption of fish farming along the value chain in
Kibwezi, Makueni County, Kenya
Wesonga, P.S., Mukoya-Wangia, S.M., Maina, J.G. and Njoka, J.T.

Measurement of constraints' influence on cassava value chain development
and commercialization in Migori County, Kenya
Ngenoh, G.C., Kariuki, I.M. and Gathungu, E.W.

GIS mapping of informal fish trade routes used by traders between Malawi and
neighbouring countries
**Nyengere, J., Mwachungu, E., Dulanya, Z., Kaunda, E.
and Chimatiro, S.**

Key thematic areas of interest in University-based research designed and
implemented with the perspective of community/sector-wide engagements and
outreach to end-users
**Nampala, M.P., Waswa, M., Makuma-Massa, H., Bedadi, B.
and Adil Deifalla**

***Theme 6: Environment and natural resources sustainability: Climate change
and extreme weather events in development***

Enhancing climate resilience of cropping systems: A synopsis of research
activities by crop scientists at the University of Nairobi
Kitonyo, O.M. and Chemining'wa, G.N.

Integrated watershed intervention in improving livelihood and natural resource
management in Western Amhara Region, Ethiopia
Habtemariam Assefa, Daniel Tilahun, Yalifal and Tisfaye Feyisa

Quality and dissemination of information on restoration of Awoja watershed
in Eastern Uganda
Akello, S., Turyahabwe, N., Sseguya, H. and Agea, J.G.

Environmental, physical and microbial parameters of harvested rain-water supply
system of El Obeid drinking water
**Abdelrahman Ahmed Mohammed, Hana Mohammed Jobara
and Mohamed Hamid Mohamed**

Characterizing land cover changes in Agago sub catchment, northern Uganda
Acan, H., Egeru, A., Barasa, B. and Nyeko, M.

Climate change and smallholder livestock production: Impacts and adaptation strategies in Ethiopia

Habtemariam Assefa, Kibwika, P. and Kyazze, F.

The impact of human practices on environmental degradation and desertification in Alfula locality of West Kordofan State, Sudan

Kalthoum E. Deif Allah and Hamdon A. Abdelrhman

Theme 7: Sustainable food and nutritional security

Gulu University Student-Centered Outreach Model enhanced uptake of research innovations in complementary feeding among rural households in Amuru and Nwoya districts in northern Uganda

Nassanga, P., Ipolto Okello-uma and Ongeng, D.

Gastro-intestinal viability of probiotics in baobab enriched yoghurt

Aluko, A., Kinyuru, J., Mlipano Chove, L. and Owino, W.

Scaling up African baobab food products valuation through enhancement of their safety and value chains for food and nutritional security in Benin (West-Africa)

Assogbadjo, A.E., Hounkpêvi, A., Salako, V., Chadaré, F., Idohou, R., Gbedomon, C. and Glèlè Kakai, R.

Development and evaluation of cassava-based porridge as a complementary food for infants in Nkhotakota and Nkhata Bay districts of Malawi: A review

Kamiyango, M.W.

Nutrient composition and phytochemical content of African nightshade (*Solanum nigrum*) edible berries

Kamau, E.H., Maina, J.M. and Kenji, G.M.

Fungal contaminants and aflatoxins in maize from lower eastern region in Kenya

Nyakundi, L.O., Muiru, W.M., Mbuge, D.O., Mwangi, S.T. and Kuate, S.P.

Distribution and sourcing of fresh fruits and vegetables within Nairobi City County, Kenya

Mukundi, J.B. and Mbeche, R.

Effectiveness of *Cochlospermum tinctorium* root powder based sauce fortified with moringa leaf powder in improving nutritional status of children aged 6 to 59 months in Northern Benin

Agossadou, J.O., Houndji, B.V.S., Somessi, A.B., Nago, E.S.H. and Chadare, F.J.

Incorporation of sweetpotatoes into diets of children aged 6-59 months in Trans-Mara East Sub-County, Narok County
Chepkwony, M.C., Abong, G.O. and Ngala, S.

Use of medicinal plant extracts and light sensitization to inhibit conidia growth in aflatoxin producing *Aspergillus flavus*
Njoki, L.M., Okoth, S.A. and Wachira, P.M.

Acceptance of insects as an alternative protein source for poultry feeds in Kenya
Kimutai, B.

Knowledge dissemination on improvement of traditional complementary foods for proper child feeding
Mmari, M.M., Kinyuru, J.N. and Laswai, H.S.

Theme 8: Agri-food systems productivity

Natural regeneration of Heglig [*Balanites aegyptiaca* (Del.)] in the dry region of Sudan
Hasabelrasoul Fadlelmula Mustafa and Mohamed Ahmed Abaker

Occurrence and effect of fall armyworm on maize production in Arapai Sub-County, Soroti District, Eastern Uganda
Ocwa, A., Opila, N. and Bua, B.

Improvement in yield and resistance of cowpea to multiple stress factors in Africa: The need to employ mutagenesis in breeding
Afutu, E., Asare, P.A., Adu, M., Amenorpe, G., Addy, S.N.T.T., Lumor, P., Asare-Bediako, E., Danquah, O-A. and Rubaihayo, P.

Effect of cropping pattern on the incidence of sorghum downy mildew disease in Uganda
Kumi, F., Ochwo-Ssemakula, M. , Tusiime, G., Biruma, M. and Rubaihayo, P.R.

Transmission pattern of Maize chlorotic mottle virus (*Machlomovirus*) on maize by *Frankliniella williamsi* and *F. occidentalis* (Thripidae) in Kenya
Nyamwamu, P.A., Kahuthia, R., Miano, D.W., Gitonga, R. and Mwangi, M.

Evaluation of selected cassava genotypes in response to cassava brown streak disease under advanced yield trials in Kenya
Koima, I.N., Orek, C.O. and Nguluu, S.N.

The current status of Maize Lethal Necrotic Disease awareness and control in Bomet County, Kenya

Muchemi, P.K., Kamau, W. J., Shem, B.N., Mathew, P.N. and Mwangi.W.J.

Spatial and temporal spread of maize lethal necrosis disease causing viruses and their vectors within the field

Ngala, R.M., Dora, K., Miano, D.W. and Mukunya, D.

Influence of Auxin (2.4-D,NAA and TDZ) on callus induction from different explants of *Hibiscus sabdariffa*

Remaz T. Mohammed, Marwa K. Sayed, Fatma A. Ahmed and Sayeda O. Ehiweris

Calibration and application of DSSAT Model to estimate area yield index insurance premium for common bean at different growth stages and weather perils

Ntukamazina, N., Onwonga, R.N., Sommer, R., Mukankusi, C.M., Mburu, J. and Rubyogo, J.C.

Analysis of potato yield gap using aquacrop simulation model

Kiptoo, S., Kipkorir, E.C. and Kiptum, C.K.

Adoption of cowpea bruchid control technologies in eastern Uganda

Nampala, P., Kongai, H., Kityo, R., Bashaasha, B., Oruka, B., Mugisha, J. and Adipala, E.

Cassava landraces and indigenous tree interactions in agro ecological zones of Uganda

Kalimunjaye, S., Nakabonge, G. and Balaba Tumwebaze, S.

Soil properties and maize yields under tied ridging, fertilizer micro-dosing and cropping systems in semi-arid regions of Kenya

Mwende, N., Danga, B.O., Mugwe, J. and Kwena, K.

Effect of chisel plough shank design on some soil physical properties and sorghum growth and yield attributes in Gardud soil types

Sarra B. Osman and Moayad B. Zaied

Soil analysis for fertilizer recommendation in Kenya: A review

Galgallo, A., Gatari, M., Shepherd, K. and Miano, D.

Comparative study on organic fertilizer (Elkhaseeb) and inorganic fertilizers effects on tomato (*Solanum lycopersicum* Mill.) and cucumber (*Cucumis sativus* L.) growth, yield and nutrient content under greenhouse conditions

Rania E. Mohamed, Lubna. M. Musa and Eltayeb. M. Abdelmalik

Assessment of morphological traits of coffee used in determining the performance of Arabusta hybrids generated from crosses between the tetraploid Robusta and Arabica coffee

Cheserek, J.J., Kahi, N. and Muthomi, J.F.

Influence of arbuscular mycorrhiza fungi inoculation on growth of sweet potato varieties in Nairobi county, Kenya

Sakha, M., Jefwa, J. and Gweyi-Onyango, J.P.

Indigenous fungi with antagonistic potential against potato cyst nematodes in Kenya

Musango, J.K., Kahuthia-Gathu, R. and Waceke, J.W.

Evaluation of suppressive potential of selected plant species against *Phytophthora infestans* in vitro

Agong, S.O., Kahuthia-Gathu, R., Mwangi, M. and Waceke, J.W.

Agronomic performance and carotenoid content of Kenyan yellow-fleshed cassava clones

Njenga, P., Edema, R., Kamau, J. and Ooko, G.

The interaction between host plant resistance and biological control presents opportunities for plant breeders in Africa's Integrated Pest Management programmes

Kityo, R., Ongom, P., Edema, R., Amoah, J., Karungi, J., Kyamanywa, S. and Rubaihayo, P.

The state and status of Shea nut (*Vitellaria paradoxa*): Uses and conservation

Akatwetaba, D., Egeru, A. and Mugonola, B.

Impact of crop management practices and soil type on weeds of Hwedza communal area of Mashonaland East Province in Zimbabwe

Rugare, J.T., Mukomberanwa, K. and Mabasa, S.

The role of weed management in reducing postharvest deterioration of taro in Cameroon

Lum Ayeoffe Fontem and Ayongwa G. Che

Effects of water stress on yield and yield components of selected African landrace tomato (*Solanum lycopersicum*) accessions and commercial varieties

Waiti, M., Chemining'wa, G.N. and Ambuko, J.

Quality of wheat seed used by farmers in Nakuru County

Buyela, S.N., Muthomi, J.W., Mwang'ombe, A.W., Njau, P.N. and Olubayo, F.M.

Effect of selected herbicides on weed management in sorghum production in Kenya

Tugat, C.E., Cheruiyot, E.K., Ogendo, J.O. and Njuguna, V.W.

Determinants of adoption of agroforestry systems in the drylands

Syano, N.M., Wasonga, O.V., Nyangito, M. and Kironchi, G.

Soybean (*Glycine max*) and maize (*Zea mays*) production as influenced by rhizobia inoculation and cropping systems in western Kenya

Mutegi, E.M., Otinga, A., Thuita, M., Masso, C. and Okalebo, R.

Disentangling the complex epidemiology of African swine fever in Uganda: A product of inter-Higher Education Institutions collaboration

Masembe, C., Ogweng, P., Mayega, J.F. and Muwanika, V.

Growing range grasses in mixed stands increase productivity and does not affect the nutritional quality and digestibility of the hay produced

Koech, O.K.

Knowledge, attitudes and practices of indigenous chicken value chain actors in relation to infectious bursal disease transmission in Kenya

Wahome, M.W., Njagi, L.W., Nyaga, P.N., Mbutia, P.G., Bebor, L.C. and Bwana, M.O.

Effect of banana peels on chicken weight gain and egg production in the urban and peri-urban areas of Aksum City, Ethiopia

Haileselassie Ghebremariam, A., Samuel Gebrechristos, G. and Wasonga, O.V.

Fostering inter-disciplinary research to enhance rural smallholder farmer innovation and technology uptake intention using the farmer group approach: A review

Sebuliba-Mutumba, R. and Kibwika, P.
