

“Aligning African Universities to accelerate attainment of Africa’s Agenda 2063”

RUFORUM Working Document Series No. 17 (3) 2018

Sixth RUFORUM Biennial Conference: Book of Abstracts
22-26 October 2018, Nairobi, Kenya

Editors

Mensah, S. and Adipala, E.

A Peer-reviewed Publication

Table of Contents

RUFORUM Working Document Series

Vol 17(3): 2018

Editorial:

Mensah, S. and Adipala, E.

Theme 1: *Policy environment and analysis: Cross-cutting development perspectives*

The wrath of unprecedented university expansion in Kenya

Michieka, R.W.

Missing the State: Assessing opportunities and constraints of the absent role of State institutions in Somaliland's livestock export

Ahmed, M. Musa., Wasonga, O.V. and Haggmann, T.

Multiplicity of institutional regulations along Somalia-Kenya Trade Corridor

Ng'asike, O. P., Njoka, T. J., Wasonga, O. V., Guthiga, M. P. and Haggmann, T.

Strengthening micro financing for rural farmers: Evidence from SACCOs in Soroti district, Uganda

Alio, D., Agea, J. G. and Okwakol, M. J. N.

Towards a scalable architecture of SME application: Micro service integration approach

Munzero, I. J. and Balikuddembe, J.

Farmers' cooperatives practices and maize value chain in Uganda: A case of Masindi district

Nabimanya, J. B., Mukasa, H.B., Makumbi, O. and Mbatudde, M. B.

The status of Innovation Platforms in Western Kenya

Manyengo, J.U., Mudeheri, M.A., Ndinya, C. and Akhwale, M.S.

Vertebrate animal bites and scratch injuries in patients reporting at Kakamega Provincial General Hospital in western Kenya

Nelima, K., Manyengo, J.U., Kikuvi, G., Akhwale, W. and Omolo, J.

The effects of entrepreneurial orientation on enterprise performance: A review

Musyoka, D. M. and Gathungu, E.

Aligning Sustainable Agriculture to Sustainable Development Goals in Africa

Ogemah, V.

Theme 2: *Transformative potential of agricultural education*

Preparing agriculture graduates for the job market: A case study of on-farm experiential learning by students

Kimenju, J.W., Ngugi, R.K., Chimoita, E.L., Muiruri, E., Waitugi, S. and Amwoka, E.

Contribution de l'enseignement technique agricole au développement du Bénin: cas du Lycée Agricole Médji de Sékou (Bénin, Afrique de l'Ouest)

Achille Hounkpèvi

Building integrated post-secondary education networks to meet Africa's labour requirements

Pell, A. N. and Osiru, M.

Breaking barriers: Francophone and Anglophone institutions in training future leaders in west and central Africa--lesson learnt from implementation of AGRA PhD programme, University of Ghana

Sarpong, D. B.

Stakeholder involvement in university curriculum development: A case study of horticulture programme in Public Universities in Kenya

Atikiya, R., Martin, M., Renate, W. and Elegwa, M.

Perception of TVET Students towards the quality of TVET Education in Uganda

Bbaale, E. and Okumu, I. M.

Harnessing student-oriented extension schemes for University driven agricultural transformation in Africa

Kalule, S. W. and Ongeng, D.

Theme 3: *Harnessing ICT and digital potential to increase Africa's competitiveness*

Towards the creation of an ensemble model for sentiment analysis based on naïve bayes and support vector machine for product review classification: A Literature Survey

Ogutu, R. V., Otieno, C., Rimiru, R. and Ochieng, P.

Theme 4: *Environment and natural resources sustainability: Climate change and extreme weather events in development*

Effect of refugees and host community on the natural resource degradation: a case study on Hitsats Kebele, northern Ethiopia

Haileselassie, H., Gebretinsae, T., Tesfay, T., Biedemariam, M., Hagazi, M. and Mesfin, S.

The impact of human practices on environmental degradation and desertification in Alfula locality West Kordofan State, Sudan

Deif Allah, K. E. and Abdelrhman, H. A.

Impacts of land cover changes on soil quality and the distribution/composition of pasture grasses species in Enkushin Micro Catchment, Kajiado County, Kenya.

Kimigo, J. Mugwe, N.J. and Wandera, F.

Patterns of land use and land cover change in agro-pastoral Iriiri sub-county of Karamoja for the last 30 years

Muwanga, S., Onwonga, R., Keya, S.O. and Komutunga, E.

Contributing factors to the siltation of valley dams: Case of Karamoja Region, Uganda

Eremugo, I. and Majaliwa, J. G. M.

Sustainability response to climate smart adaptation: Implication for food security among farm households in the Central Region of Ghana

Inkoom, E. W., Dadzie, S.K.N., Akaba, S., Afful, J. and Annor-Frempong, F.

Male-female sensitivity differential in climate-induced income insecurity: Empirical evidence from farming households in northern Cameroon

Molua, E. L., Akamin, A. and Ngaiwi, M. E.

Influence of distance to water source on socio-economic factors in Tiva catchment, Kitui County

Ngugi, K.N., Mureithi, S.M., Gichaba, C.M., Ertsen, M.W.

Theme 5: Sustainable food and nutritional security

Influence of gender on participation in cassava value addition in Migori County, Kenya

Awuor, J. O., Openda, N. O. and Mulwa, R.

Impact of gender on production and value addition along the farmed fish value chain in Kenya

Gichure, J.N., Maina, J.G. and Njeru, S.K.

Contract farming participation and performance: the case of leaf tobacco

Apio, D., Okello, D. and Odongo, W.

Native edible tree/shrub species available in Benin for enhancing food security of local populations

Honfo, S.H, Idohou, R, Assogbadjo, A.E., Glèlè Kakaï, R.

Edible grasshopper meal (*Ruspolia nitidula*) “nseenene” a potential source of protein in the diet of Japanese quails in Africa: A review

Kwaku, J. A. Kityo, R. and Munu, N.

Production and utilization patterns of Jackfruit (*Artocarpus heterophyllus*) in Uganda

Balamaze, J., Muyonga, J.H. and Byaruhanga, Y.B.

Application of X-ray micro-computed tomography to detect bruise damage of pomegranate (cv. Wonderful) fruit

Hussien, Z., Fawole, O.A., Ebrahiema, A., du Plessis, A. and Opara, U.L.

Adding value to pineapple: The potential of fruit juice preparation

Smith, O. K., Abano, E. E. and Annor-Frempong, F.

Efficacy of sodium bicarbonate and chlorine based sanitizers on postharvest microbial load and quality attributes of packaged tomato fruits

Inzaule, S.N., Ambuko, J., Muiru, W.M. and Owino. W. O.

Detection of Salmonella in some food samples using culture and DNA-based methods

Mohammed, S.E., Mohammed, M.M., Elnaiem, M.H.E. and Elkhalil, E.A.I.

Effects of different types and levels of binding agents on stability and nutritional availability of formulated diets in *Oreochromis shiranus* (Pisces: Cichlidae)

Mohammed, E.M.A., Singini, W., Kang'ombe, J. and Kassam, D.

The university role on capacity building on value addition and utilization of orange-fleshed sweetpotatoes among small-scale farmers in Kakamega County, Kenya

Ndiema, A.C. and Samoey, U.C.

Nutritive evaluation of locally produced, differently processed Canola (*Brassica napus*) meals on performance of Broiler chicken (*Gallus gallus domesticus*)

Yegon, K., Kabuage, L.W., Nguhiu, P.N. and Mbugua, P.

Nutraceutical and antimicrobial properties of baobab pulp and leaves: A review

Gbaguidi, M. A., Chadare, F. J., Idohou, V., Fassinou, T. K. and Assogbadjo, A. E.

Development of food based dietary guidelines for rural Kenyan women using linear programming

Ngala , S., Syda, A. and Brouwer, I. D.

Morphological and nutritional characteristics of new papaya hybrid fruits

Nishimwe, G., Kosgei, J.C., Okoth, E.M., Asudi, G.O. and Rimberia, F.K.

A review of available knowledge on aroma in rice

Ocan, D., Lamo, J. and Rubaihayo, P.R.

Theme 6: Agri-food systems productivity

Contraintes et opportunités de l'intégration agriculture-élevage à Mushinga dans l'Est de la RD Congo

Zamukulu, P., Ayagirwe, R. B.B., Bagula, E., Mondo, J., Ndeko, A., Ganza, D., Katunga, D. et Mushagalusa, G.

Can banana-coffee intercropping improve nutrition security? Evidence from Uganda National Panel survey data

Nakazi, F. and Barungi, M.

Production systems, genetic diversity and candidate genes associated with prolificacy and milk production in goats: A review

Baenyi, P. S., Junga, O.J., Keambou, C., Bwihangane, A.B., Bantuzeko, F. K., Mbenza, U.T., Amani, J., Mushagalusa, N. G. and Karume, K.

Coming to speed with the state of cassava breeding in Uganda

Akello, M.O., Kawuki, R.S. and Mukasa, S. B.

The effect of ghabich leaves extract on germination and seedlings growth of tomato

Mohamed-Ahmed, O.M. and Elsadig, E. H.

Impact of agricultural extension services towards agricultural productivity and rural livelihood development: The case Arua district, Uganda

Adriko, G.

Performance of maize crop under African locust (*Parkia biglobosa*) and Shea butter (*Vitellaria paradoxa*) trees in agroforestry systems in Benin

Djaouga, C. M., Kafoutchoni, K. M., Assogbadjo, A. E. and Sinsin, B.

Cowpea seed systems in Ghana: Challenges and prospects

Afutu, E.

Influence of plant and seed characteristics on cowpea weevil infestation of *Vigna unguiculata*

Buleti, S., Mamati, E. and Abukutsa Mary-Onyango

Effects of collection sites and dormancy breaking period of *Alectra vogelii* on parasitism of the two selected cowpea varieties

Phiri, C.K., Kabambe, V.H 1., Bokosi, J. and Mumba, P.

Inheritance of resistance to Fusarium root rot (*Fusarium redolens*) in some selected genotypes of cowpea in Uganda

Auma, S., Tusiime, G., Ongom, P., Gibson, P., Chiteka, Z. A., Awio, B. and Edema, R.

Serological and molecular detection of Rice Yellow Mottle Virus in western Kenya

Adego, A.K., Were, H.W., Mukoye, B., Muoma, J., Pinel-Galzi, A., Poulicard, N., Fargette, D. and Hebrard, E.

Agronomic performance of cowpea populations with resistance to *Fusarium redolens* in three agro-ecological zones in Uganda

Auma, S., Tusiime, G., Ongom, P., Gibson, P., Chiteka, Z. A., Awio, B. and Edema, R.

Identifying the potentials of Turmeric for sustainable agricultural development in Nigeria

Amadi, P. E., Nwachukwu, F.C. I. and Asumugha, G.

Effect of improved seed system on potato yields in Uganda

Kigambo, M., Wasswa, P., Obala, J. and Mugisha, J.

Increasing potato equivalent yield increases returns to investment under potato-legume intercropping systems

Gitari, H.I., Karanja, N.N., Gachene, C.K.K., Kamau, S., Nyawade, S. and Schulte-Geldermann, E.

Why do smallholder farmers fail to use certified seed potato? The case of Nakuru county, Kenya

Nkurumwa, A.O., Mutuku, M.M., Kibe, A.M. and Mwangi, M.

Cassava value chain upgrading for secure food, nutrition, income and resilience of smallholder farmers in the Arid and Semi-arid Lands of Nakuru County in Kenya

Kaburu, P., Richard Mulwa, R., Ogendo, J., Arama, P., Ngare, C. and Bebe, B.

Mainstreaming dolichos bean (*Lablab purpureus* L.) to enhance food security in Africa

Kamotho, G. N., Muasya, R. M. and Kinyua, M. G.

Understanding the virulence dynamics of bacterial wilt caused by *Ralstonia solanacearum* and the host plant defense responses

Kiirika, L.M., Dalsing, B. and Allen, C.

The prevalence and management options for bacterial wilt caused by *Ralstonia solanacearum* in African Nightshades in Kenya

Njau, N., Kiirika, L.M., Maina, M. and Tuurop, L.

Evaluation of susceptibility of onion varieties grown in Kenya to onion thrips (*Thrips tabaci* Lindeman)

Kibanyu, J. K., Gitonga, L. M. Waiganjo, M. M. and Kutima, H. L.

Botanical fungicide for sustainable production of fresh vegetables

Lengai, G. M. and Muthomi, J. W.

Seasonal distribution and yields of common roughages in coastal lowlands of Kenya

Mburu, L. M., Gachuri, C. K., Wanyoike, M. M., Badamana, M. S. and Mande, J. D.

Effects of feeding frequency on growth performance, feed utilization and visceral indices of *Oreochromis shiranus* juvenile (Trewavas 1983)

Gwaza, T., Kaunda, E., Kang'ombe, J., German, C. and Zhang, Z.

Detection of Salmonella in some food samples using culture and DNA-based methods

Mohammed, S.E., Mohammed, M.M., Elnaiem, M.H.E. and Elkhalil, E.A.I.

Value chain analysis of tilapia for small-scale fish farmers: A case study of Mchinji and Dowa districts

Mpango, S. and Kaunda, E.

Assessment of technical and economic feasibility of a portable aquaponic system

Mnelemba, P. C. and Valeta, J.

Pig value chain in Uganda: Considering smallholders' functional upgrading prospects
Mugonya, J., Kalule, S.W. and Ndyomugenyi, K.E.

University-BTVET-Community convergence in promoting pig production amongst
smallholder farmers in Northern Uganda
Tebere, L., Aliro, T., Ndyomugenyi, E. K. and Odongo, W.

The potential role of Arbuscular Mycorrhizae and native rhizobia in upscaling maize
and cowpea production in semiarid zone of Eastern Kenya
Muindi, M.M., Muthini, M. Njeru, E.M., Runo, S.M., Maingi, J.M. and Omwoyo, O.

Effects of agronomic management practices on soil microbial communities in a maize
cropping system
Nyamwange, M. M., Njeru, E. M., Maingi, J.M. and Mucheru-Muna, M.

Effect of macro and micronutrients on severity of maize lethal necrosis disease and
maize grain yield
Magero, E. A., Chemining'wa, G. and Kilalo, D.

Variability of some sorghum genotypes under microcatchment and tilled natural land
conditions in Gardud soils in Elobeid, Sudan
**Yagoub, S. Abdallah., Elshiekh A. Ibrahim., Mohammed, E., Abdelrahman,
Awad, A. Ahmed. and Ahmed, M. El Naim**

Effect of nitrogen on growth and grain yield of some wheat (*Triticum aestivum* L.)
cultivars, Gezira State, Sudan
Hussein, R.Kh., Mohamed, I. E. and Gangi, A.S.

Economics of bread wheat production in Southeastern Highland of Ethiopia: A
Cobb-Douglas Production Approach
Demissie, B., Kedir, A., Komicha, H.H. and Asefa, S.

Identification of Maize chlorotic mottle virus strains associated with Maize lethal
necrosis disease in Uganda reveals a common ancestry
**Mudde, B., M'mogi Olubayo, F., Asea, G., Kilalo, D.C., Kiggundu, A., Kwemoi
Bomet, D., Adriko, J. and Mbeyagala, E.K., Oweitu, C.C., Male, A. and Miano,
M.D.**

Occurrence of Bean Common Mosaic Virus and resistance of common bean cultivars
to the virus in Western Kenya
Murere, L.W., Were, H.W., Mukoye, B. and Kollenberg, M.

Effect of temperature and precipitation on Coffee Leaf Rust in the lower upper midland
zones of Murang'a County, Kenya
Alwora, G.O., Gichuru, E.K., Mutitu, E.W., Fabrice P. and Miano, D.W.

Determining the role of lesion nematodes in the development of Maize lethal necrosis
disease in major maize growing regions of Kenyan
Monjero, K., Miano, D. W. and Kimenju, J. W.

Broadening the genetic resistance of large seeded climbing beans in Kenya by pyramiding multiple disease resistance genes

Kairichi, M.M., Ngugi, E.K., Gepts, P., Narla, R.D. and Kimani, P. M.

A synopsis of milestones attained by Next Generation Cassava Breeding Project in Uganda

Kawuki, R., Zawedde, B., Esuma, W., Gibson, P., Edema, R., Egesi, C., Kulakow, P., Hale, T., Jannink, J.L., Setter, T., Mueller L.A., Coffman, R. and Baguma, Y.

Agronomic performance of groundnut (*Arachis hypogea* L.) on a typical latosol under organic mulch application

Kolliesuah, N.P. and Ahiakpa, K.

Disposal and use of manure from intensive urban poultry units in Western Kenya

Nyende, K.O., Wakhungu, J. W. and Obiri, J.

The effects of sugarcane growing on in food security: A case of Budongo sub-county Masindi district

Kyokunzire, A.

Challenges and opportunities in *Chenopodium quinoa* production in Morocco: Analysis of 10 years of adoption – Case study: Rhamna region

Mhada, M. A., Hirich, A. Sbai., El Mejahed, K., Choukrallah, R., Yasri, A., El Gharous, M. and Bekkaoui, F.

Evaluation of different asexual propagation methods for the Baobab (*Adansonia digitata* L.) in Kenya

Mubanga, B., Rimberia, F. K., Mukundi, J.B., Gebauer, J. and Kehlenbeck, K.

Genetic diversity of common bean varieties released in Uganda using simple sequence repeat markers

Mukayiranga, A., Rubaihayo, P., Edema, R., Gibson, P., Onziga, D.I., Nkalubo, S. and Chiteka, Z.A.

Gender dimensions around Nakati (a local vegetable) production constraints in central Uganda

Nabatanzi, L. Ninsheka, L. and Zziwa, S.
